**BOULEVARD AT LOWRY METROPOLITAN DISTRICT
2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the City of Denver on November 8, 2019, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the City on July 7, 2018. The District's service area is located in Denver, Colorado.

The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water, sanitation, street, safety protection, park and recreation, transportation, television relay and translation and mosquito control improvements and services.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenue

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on Property Tax Summary page of the budget at the adopted total mill levy of 25.000 mills.

2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenue (continued)

For property tax collection year 2025, SB22-238, SB 23B-001, SB 24-233, and NB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000
			Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 5.00% of the property taxes collected.

Interest Income

Interest earned on the District’s available funds has been estimated based on an average interest rate of approximately 4.00%.

Public Improvement Fees

The District charges public improvement fees (PIF). The nature of the PIF is that of a fee imposed under private contract and not through the exercise of any governmental taxing authority. The PIF is applied to the sale of goods at a rate of 1.00%, in addition to all sales and use taxes that may be imposed and is collected by the retailers in the District and remitted to the District within 20 days after month end.

Expenditures

General and administrative expenditures

General and administrative expenditures include the estimated services necessary to maintain the district’s administrative viability such as legal, management, accounting, insurance and meeting expense.

County Treasurer’s Fees

County Treasurer’s fees have been computed at 1.00% of property tax collections.
